

## LAMPIRAN 1. KUESIONER

### Research Questionnaire

Sincerely,

In connection with the research that I am currently doing, I really need information and assistance from Mr / Ms regarding things that you know in terms of taxation systems and tax evasion. I am fully aware that the presence of this questionnaire will interfere with your activities. With all humility, I ask that you be willing to take the time to provide information and assistance to fill out this questionnaire. Before filling out this questionnaire, please read the instructions for filling in the questionnaire and provide honest and correct answers according to the existing facts. I will maintain the confidentiality of identity and data related to Mr / Ms from any party.

Best regards,

Alfriadi Dwi Atmoko
